CANDIDATE 2027

We are happy to announce that we will plant one tree for each IBU member federation as well as 2027 new trees to mark the WCH2027 candidacy of Kontiolahti.

In addition, we will plant more trees to compensate the CO2 flight emissions of OC Kontiolahti and NF delegates to the IBU Congress 2022. The trees will be planted in Kontiolahti in spring 2023.
